Re: Spectra/Nexus Natural Gas Pipeline

Ms. Fleur:

I am writing at the request of concerned township residents who have been notified that the installation of a 42" interstate pipeline is proposed on or near their residential homes in Hidden Acres, South off Chippewa Road and West of Route 3 in Medina, Ohio.

Montville Township supports these citizens in their beliefs that the pipeline would be more appropriately placed in nearby farmland areas of less dense population.

While we understand that our zoning regulations have no jurisdiction over a public utility company, it is our keenest interest to protect the property rights of our constituents. In this regard, we humbly ask that the location of your proposed pipeline be shifted away from residential neighborhoods.

Yours most respectfully,

Sally Albrecht
